We are so thankful for you!

Praise the Lord! Pastor Deborah and I are so thankful that you have made the decision to partner with Keith Butler Ministries (KBM). In 2021, we watched God move as we continued to work in the nations. While a lot of ministry was online, thousands of people were able to hear and share God's Word. As you read the pages of this report, you will be blessed and moved with compassion when you see how God performed His Word in the lives of those we were blessed to minister to here and around the world.

Because of your support, we were able to touch those in need of comfort, love, and peace in 2021. Thank you for volunteering, for giving, and for praying with us for our church family. A seed sown will meet any need; we stand with you in agreement for your return. God will bless you abundantly for the time and effort you have demonstrated. We will stay the course in the mission God has given to us; let's do it together so we can hear Him say, "Well done, thou good and faithful servant!"

Remember, we love you, and to fight the good fight of faith!

Bishop Keith A. Butler

Jesus Said “Go”

Amina Cameron, KBM Executive Director

And He said to them, “Go into all the world and preach the gospel to every creature. He who believes and is baptized will be saved; but he who does not believe will be condemned” (Mark 16:15-16, NKJV).

From verse 16 in Mark, we see that there will be people who believe in Jesus and be saved and then there will be others who don’t believe in Jesus and are condemned. As much as we want everyone to believe and be saved, it is not in our control. Mankind has free will to choose what to believe. However, what is in our control is that we do what we are commanded to do in verse 15, “Go into all the world and preach the gospel to every creature.” If we never do verse 15, we won’t give people the opportunity to believe and be saved.

In 2022, our primary goal is simply to continue to GO, as Jesus instructed us to do. Jesus gave us an assignment and it is not complete. There is more to be done. So, we will continue going into the nations where the Lord has already sent us, which are *Belgium, Brazil, Bulgaria, Canada, Denmark, France, Germany, Greece, Kenya, Japan, Poland, South Africa, Switzerland, Ukraine, and the United Kingdom.*

We will go into additional nations, including Ireland, as we are led throughout the year.

But Jesus didn’t only say to go. He has instructed us to preach the Gospel (Mark 16:15), to make disciples (Matt. 28:19), and to teach (Matt. 28:20). We are doing this through planting churches, starting *Pistis Schools of Ministry* in new locations, holding Bible Studies both on-location and online, sending missionaries, and publishing books and content in various

languages (*Bulgarian, English, Farsi, French, German, Greek, Hungarian, Polish, Portuguese, Spanish, and Russian*). We are doing what Jesus told us to do through television, radio, and the internet. We are obeying the directive from Jesus through every technological and physical means possible.

As Bishop Butler recently shared, “*The seed that you have been planting into KBM is [allowing us to do] what Jesus told us to do.*” The partners and friends who are sowing their time, prayers, and finances into *Keith Butler Ministries* are making it possible for us to continue the work the Lord has commanded. Thank you and we look forward to going, preaching, and teaching more throughout the world in 2022 and beyond!

God is on the Move!

Pastor George Rigos, KBM European Director

Praise God for His faithfulness. We've had another successful year despite all the difficulties experienced due to the COVID-19 pandemic. Here in Greece, we started 2021 with a lockdown and restrictions that were not lifted until June. We had to remain online with streaming services every week. *Despite this, we finished our Pistis School of Ministry year and graduated our fifth class since launching the school in 2015.* Our graduates represented six different nations; students came from *Sri Lanka, Albania, Russia, South Africa, Iran, and Greece.* With us being completely online, we were able to cast the net even further—we had students from Corinth, Cyprus and a couple from India who joined us to receive instruction.

After reopening the church in June, we held a week-long Holy Spirit meeting that coincided with Pentecost. It was a great start to what has been like a new beginning since the lockdowns. In Corinth, our church we

launched last year, is going from strength to strength. The highlight of the year was our back-to-school outreach we held and blessed 30 families.

Our Farsi members are going from strength to strength and have outgrown the classroom they were meeting in. They are now meeting in the main sanctuary after the morning service. There are also 25 members who join via Zoom from *Iran, Germany, Netherlands, Turkey,* and the rest of *Greece.* In October 2021, we launched the *School of the Bible* discipleship course in Farsi, on Zoom, and 17 people from all these nations signed up. The powerful thing that is happening is that the students in Iran are taking what they are learning and teaching others as they learn. It is still illegal to own a Bible in Iran, and joining a class like this is a risk for anyone who does.

In France, we were not able to gather for our monthly meetings until November. Although we were not able to meet live on the ground, we were able to continue our weekly Bible Studies in

French. Several nations joined us for the weekly studies. We have had a great response to our being back on the ground live in *Marseille and Paris* every month.

Throughout Europe, we are **Teaching the Word, Doing the Work, and Touching the World!** *Our Facebook pages have grown to over 60,000 followers; we have ministry schools based in Greece, Poland, and Germany, along with churches and meetings in many other nations.* God is truly working through KBM, and we thank you, our partners, for your generous support. Through prayer and finances, this work is able to be done, and the reward is to your account too.

KBM Around the World Belgium

Pastor & Mrs. Frank Amoako-Gympah

We are very grateful and thankful for *Keith Butler Ministries* (KBM), especially in these times. We thank Bishop for his spiritual covering, care, and also financial support. *One thing that has been a blessing to us personally as leaders is the prayer calls on behalf of Bishop.* They have been a source of strength and encouragement to us when we needed the most uplifting to do the work in Brussels. We know that the prayers of KBM have had an impact and been a back bone of strength to the whole church.

We are thankful to God that throughout the whole pandemic and lock-downs, the church in general remained consistent, stable, and stayed connected, even after 18 months of having services and fellowship online. Many have testified that this helped them to manage and maintain their spiritual strength and walk in difficult times.

We pray that God continues to bless and use KBM in Europe and around the world where the Word of God, the work, and the support it brings is needed the most. It makes all the difference.

KBM Around the World Poland

Pastors Ryszard & Dorota

The people living here who God has placed on our way, whom we have contact with, have the need to be taught the Word of God and they need the discipleship that we provide. We hold weekly Bible study meetings where we minister the Word, prayer, healing, and whatever they need. We also teach at the *Pistis School of Ministry* four times a week.

We thank the service of *Keith Butler Ministries* and Bishop Butler and his family, as well as all those who laid their hands to create new schools, new churches, because thanks to your self-sacrificing heart, God's will can also take place here in Poland. We thank you and bless you.

KBM Around the World Kenya

Pastor Jean Kinuthia

KBM is an integral part of the work going on in Kenya. KBM is bringing the Word of God to all corners of the world, and Kenya has been a benefactor of this. Bishop Butler's programs that are running in Kenya, with his guidance and support, are:

Pistis Bible Training Centre, which started in 2015. A total of 88 men and women have been trained in the Word and in ministry to be a blessing where the Lord sends them.

The School of the Bible that started in 2019. A total of 181 laypersons, both men and women, have come in as students to be taught the Word of God.

Faith4Life Church – Nairobi, Kenya that started in March 2018. Approximately 90 families are in attendance. Our church families continue to grow in the Word and God's blessings.

Through the training programs mentioned, Bishop Butler has ensured that we have systems and tools to bring the Word of God to our part of the world. The Word of God continues to heal, deliver, protect and provide. All Glory to God!

In addition, in KBM we have an excellent example set before us to follow. As KBM sows towards the needs of others, we too have done so. The Lord has put seed in our hands and it has been such a joy for us to sow bountifully, throughout the year, as the Lord has instructed us to, including into the work at KBM. This year, we again had the honor to give Christmas hampers, packed with many essential food items, to every person that works at the Muthaiga Police Station, our local police station. They were overwhelmed by the love our church shows them and we were blessed to be able to share the

gospel with them. We have also been blessed to have the opportunity to honor a section of the staff at the COVID-19 unit of one of our hospitals.

Often, we talk about the front-line work of the ministry, but we would like to recognize the behind the scenes support we have from KBM. As a newer ministry, we are learning and growing and we are so thankful for the years and experience that Bishop has. Through KBM, we have been able to draw on this experience and receive God's leading on many situations. This has occurred through tips on how to handle circumstances that we have faced, sometimes tough people situations etc. Whatever the situation, we have had some much needed help that is just a text, an email, or call away.

A huge, huge blessing to the KBM partners in Kenya is the KBM prayer team. Their timely phone calls to check on us have always blessed us. Some calls came in while loved ones were in the hospital. Having them pray a prayer of faith with us, helped us to victory. For some, when they really didn't know what to do about a particular situation, a call from KBM offering prayer helped them get God's leading on the matter. We are so grateful for all the men and women who give of themselves to pray for us

and for the work here in Kenya. We pray God's reward over them all. We are also very thankful to God for the Word of the Lord that Bishop ministers at the start of every year that keeps us and perfectly guides us throughout the year. We have stronger families, marriages, children, homes and finances as a result of the working of this Word. ***We win and have the victory!***

KBM Around the World South Africa

Min. Ncumisa Yekwa & Pastor Lizo Yekwa

KBM has been a blessing to South Africa and the rest of Africa through the introduction of *Pistis School of Ministry (PSOM)* since 2007. The introduction of PSOM has filled a huge void in that there has been a lot of traditional seminary schools within South Africa and very few pentecostal ministry training schools. Pentecostal ministry training schools were few and extremely expensive. Because of this, very few people had access to training in sound doctrine, and others were trained in questionable doctrines. Some people just went into ministry without any training at all.

Lack of sound doctrinal training led to the proliferation of churches with no sound structure and/or doctrine and thus, less effective Christians emerged from them. This was evident from those who came to PSOM. From our point

of view as graduates of PSOM, the impact has not only been positive on our ministry life, but also on our relationship with God. This became evident on how we understood the Word, how we prayed and how we approached and conducted ministry. The categories of students who came to PSOM are those who have been pastoring churches, those who have been in the ministry of helps, and those who did not have a clue of their offices within the ministry.

In conclusion, PSOM continues to deal with the proliferation of incorrect doctrine and church administration. It is important to mention that PSOM has not only positively impacted South Africa, but also has impacted the rest of Africa in that the students who have been through PSOM are from *South Africa, Zimbabwe, Zambia, Lesotho, Botswana, Liberia, Congo, Nigeria, Cameroon*

and *Uganda*. The introduction of the hybrid program of PSOM in 2021 has opened a door for those who had an interest to undergo the PSOM training but had secular jobs, which adversely affected their ability to attend. The hybrid program has enabled people who reside in the various provinces of South Africa and other countries of the world to undergo PSOM without the need to physically move to Pretoria, South Africa.

We continue to praise God and appreciate Bishop Butler, Pastor Deborah Butler and their partners worldwide, for allowing PSOM to come to Africa.

KBM Around the World Canada

Pastors John & Cheryl Ward

And he said unto them, “Go ye into all the world, and preach the gospel to every creature” (Mark 16:15). In 2004, Bishop Keith A. Butler planted Word of Faith Toronto to at the direction of the Lord. Word of Faith Toronto has been teaching the Word, doing the work and touching the world ever since. As a result of the seed and continued ministry of KBM, Word of Faith Toronto is a strong church and a vital member of our local community. *Word of Faith has Pistis School of Ministry, Pistis Bible Training Centre (for laypersons), children’s ministry, youth ministry, music ministry, Operation Blessing, Missions Out-*

reach and so much more.

Since the pandemic began in March of 2020, Word of Faith has continued all operations through internet live-streaming. We have also followed the example of KBM by going out into the community, providing fresh groceries to those in need, and continuing to meet the needs of the people, as well as the pastoral needs of our church. As a church, we understand the power of partnership and sowing as we have been taught. ***During this pandemic, partners of KBM in Canada have sown more than \$70,000.00 into KBM to support the overseas mission’s initiative.***

Each month KBM partners in Canada receive a package of inspiration from KBM delivered to their homes. On Missions Sunday, our church watches and is encouraged by a video message from Bishop Butler about what KBM is doing around the world. Word of Faith sows generously into KBM and releases our faith in what God is doing. We, as a church, know that we are partners with KBM and are blessed because of this partnership.

“

***Go ye therefore, and teach all nations,
baptizing them in the name of the Father,
and of the Son, and of the Holy Ghost.
Teaching them to observe all things what-
soever I have commanded you: and lo, I
am with you always, even unto the end of
the world. Amen.” Matthew 28:19-20***

KBM Around the World

Brazil

Pastors Stephen & Elizabeth Bell

Brazil is considered a developing country with a population of 213 million inhabitants; approximately 29.5% of this population lives in total poverty, are unemployed, and lack basic conditions of survival. This has generated lots of violence, rampant sexual abuse and human trafficking among the children caught up in poverty. Despite these conditions, Evangelical Christianity in Brazil has been in revival since 1970, seeing a growth of over 30% in just the last few decades, but poverty is still on the rise. There are people in dire need of people willing to love them, teach them the Word, and train others for ministry. They also need someone to help them find their identity in Christ and their assignments in these last days. Thankfully this need is being addressed and God has

saw fit to send help via ministries like KBM.

We are glad to see God opening doors after a time of prolonged isolation due to COVID-19 restrictions. While transitioning out of a phase of preparation and training, we have continued networking with individuals and organizations in Campina Grande and neighboring states that are currently engaged in ministry with the often forgotten or ignored segment of society that we believe we are called to reach with the life transforming love of Christ.

The prayers and support of KBM have made it possible for us to gain this valuable experience and knowledge for which we are eternally grateful.

We are currently praying and scouting locations for a church

location and space to utilize for a Center of Operations to impact the community with the love, care and concern of God and the life transforming, saving Grace of our Lord and Savior Jesus!

Again, we cannot say enough how we are extremely grateful for the support and prayers of KBM; we have been protected and edified by the prayers of the Saints!

Testimonies from the

Testimony from the Opundo family, KENYA

This year, 2021 is indeed a year of victory as God promised, a year of win after win unto victory. On New Year's Eve 2020, we as family planned to move the entire family to the UK. This plan seemed daunting; how? Where is the money to do so? And, also, my wife had been banned from UK for 10 years, when we tried to do the same a few years ago. The enemy put fear in our eyes, but we decided to walk not by what we see. We held on to the Word of God and started jumping over the hurdles one by one. The Word of God in *Proverbs 3:5-6* tells us *"to trust in the Lord with all thine heart and lean not unto thine own understanding,"* so that is what we did. My wife's 10-year ban was overruled through the working power of our Lord Jesus Christ. We held on to the words in *Isaiah 54:17*. We also had to pass an exam in order to get qualifications to work in the medical sector in the UK. The Word of God promises that we can do all things through Christ, so that hurdle was also passed. At this point, our three children did not have valid passports, but God blessed us with that too.

By August, we were sitting in the living room of our house in Kent, England. Our children are in school and my wife and I are both working. Look

how far God had brought us. Even though at times we were disobedient and let doubt creep in, God was gracious to nudge us back on track. This has been a year of winning and victory and also a year where obedience was key. When we did not obey and decided to lean on our own understanding, we fell into a mess. We would quickly turn back to God and repent. He would bring to remembrance what He had promised that we had let slip.

God is faithful; He will never leave us nor forsake us. We praise Him for the victories in our life and how He has changed our lives.

Testimony from W. Weydson, BRAZIL

Hello everyone. I want to thank the Bishop Butler for sending this couple, Stephen and Elizabeth, to Campina Grande, particularly because I've been learning a lot with their generosity, companionship and for expressing the Word of God in their attitudes, and always showing us the right way. Stephen and Elizabeth became a reference in everything they've been doing not only in Campina Grande but also everywhere they go.

Testimony from Alicja, POLAND

I am glad that I can participate in Pistis school. Classes and topics are very interesting to me. I

NATIONS

rediscover things that I have not seen before or that have not made such an impression on me before. The sixth topic—finance—it was a surprise that you can, and even have to, teach such a topic since it is missing in churches. But each thematic block is well developed and interesting, including the tests. It is a piece of good work. My appreciation and thanks.

I am also pleased that the classes are held online, because I would definitely not decide to go to a stationary school, due to lack of time, and here the time is used to the maximum. I see a huge plus here. The teachers—the Czaderna Pastoral—they run the school very nicely and interestingly; they are also endowed with authority. They are very involved and complement each other. Besides, I love them as brothers.

I don't know what God is preparing us for yet, but He certainly protects us—especially at this time. Working with the Bible—a minimum 12 hours a week—brings results. Faith, trust, courage, and peace grows. I hope it is visible (because I do not always have the opportunity to preach the full gospel, but I always sow “life” in a few words). I thank God for this school and bless everyone who contributed to its creation, duration and development.

Testimony from V. Jaskaran, CANADA

Greetings in the Name of our Lord and Saviour Jesus Christ. I just have to share this testimony of healing of my acid reflux about six weeks ago. I started having a burning in my stomach from simple things like my morning coffee to orange juice or anything I ate or drink so I researched the symptoms and found out it could be too much acid in my stomach. I started believing that my Healer, Jehovah Rapha, Jesus Christ, has already healed me from all sicknesses and diseases. I just have to receive my healing! So, I started taking Holy Communion daily and praying and making confessions over myself. Then I decided to call my doctor and tell her about the symptoms I'm was having. She prescribed an acid reflux pill by the name Famotidine 20 mg and advised me to take 1 before I eat or drink anything. I started taking the pills, and after two days, it helped. But I said to myself, *“I'm not taking anymore.”* I continued with prayer and partaking of Holy Communion, and I never took any more pills. Praise God— I'm now free of acid reflux in Jesus' mighty name, Amen. I have no more heart burns, and I can eat all my favorite foods, drinks, and hot pepper sauce.

A large, artistic image of a hand holding a globe, focusing on the continents of North and South America. The hand is rendered in shades of blue and purple, with a textured, almost painterly appearance. The globe shows the Americas in green and brown, surrounded by blue oceans.

Keith Butler Ministries

Min. Andrea Simpson, Min. Pauline Gow & Mr. Gilbert Bailey

As we entered into 2021, armed with our word from Bishop Butler that this was our YEAR OF WINNING AND VICTORY, we undauntedly continued to provide care for our partners, despite the lingering COVID pandemic. In February, we welcomed some of our faithful phone volunteers back to assist us in our prayer call ministry to our partners. Slowly, but surely, they returned, as faithful and anointed as ever. For the first three quarters of the year, our *seven* faithful phone volunteers along with our staff team, Pauline and Gilbert, prayed for our partners' needs. Then, in answer to prayer, the last quarter of the year saw the floodgates opened and *eight* new volunteers signed up for training and service, so we are entering into 2022 equipped and ready to minister to more partners than ever!

Our KBM Partner Care team made 14,417 partner calls this year.

As well as our regular partner care calls, these calls included many new partner calls, happy birthday calls, upcoming meeting information calls and calls to check on the well-being of our partners in storm ravaged states. *Connecting with our partners is our top priority in the KBM Activity Center and to hear them say "this is a right on time call" confirms the importance of our prayer call ministry.* Of course, as much as we love praying for our partners, we truly are blessed to hear their praise reports and we also received many of those.

In true celebratory fashion, Gilbert again made sure our partners received their annual birthday calls and accompanying birthday cards

and gifts. This is truly a highlight in our partners' lives—after all we all want to be remembered and celebrated on our special day!

We were so excited to have our KBM table up and running this year at our annual Convention.

It's always wonderful to meet our partners in person and put faces to the names that we call. Our partners came from near and far, some as far away as Africa, and what a blessing it was to hear how much our prayer calls meant to them. Of course, we also had lots of free items to give away to bless our partners and feed their spirits.

Around the clock praying was again a vital part of our year. *In our Winning and Victory Prayer Assignment, we had a slew of partners and volunteers who set aside a time period each day to pray for the points on our prayer focus.* We know and are assured

Global Partner Care

from the Word of God, that “*the effectual fervent prayer of a righteous man availeth much*” (James 5:16, KJV).

For Keith Butler Ministries, the work of the ministry never stops. Bishop and Pastor Deborah are touching the world with the mandate that God has given them to teach the Word and do the work. ***However, they could not do it without our partners worldwide, and therefore, taking care of their partners is of the utmost importance to them.***

We at Partner Care have the privilege and honor of reaching out to our partners on their behalf, expressing their love, care, and concern. That same love is reciprocated in the many expressions of gratitude from our partners for the rich teaching they receive that has changed their lives tremendously. This is the true essence of partnership.

Volunteer Testimonies

Knowing and understanding that there is great power (dunamis) in unity, as a prayer warrior for *Keith Butler Ministries*, it gives me considerable pleasure to join my faith with our partners. On several occasions, there have been times when the Holy Spirit would have me to call a partner during their most critical moment or hour, which demonstrated the omniscience, love, and compassion of our God who not only hears our spoken prayers, but also knows the intents of our thoughts and hearts. Daily, I am reminded that being led by the Holy Spirit is so critical to my assignment. I thank God for giving me a desire to pray with, as well as stand for, our fellow brothers and sisters in Christ, collectively fighting the good fight of faith. Just as with any good soldier, I will remain in position and follow my orders (*Ephesians 6:12-18, KJV*). We know that in the end, we win! It is an honor and privilege to serve in the army of the Lord! – Q. Woodson

I have volunteered with *Keith Butler Ministries* for almost two years, and it truly has been a rewarding experience. I have had the opportunity to call, listen to, and pray with partners from around the world. I also get an extra bonus when I reach someone that I have known for many of the 35 years I have been with the ministry. I have truly been blessed to be a part of the volunteer staff at KBM and look forward to continuing my volunteer service. – C. Jones

Partners Together With Him!

K eith Butler Ministries (KBM) is working in places around the world and the United States to plant schools of ministry or churches so that people can have the opportunity to hear and learn God's Word. You may not be able to travel to Africa, Brazil, or Greece, but when you partner with KBM it is attributed to your account. Your prayers and financial support allow us to do the work of the ministry that God has charged us with in these last days—we are coworkers or partners together with Him! Jesus is coming soon and we are a part of His end-time mission team to preach and teach His Word so that people can be saved. Our Lord is not willing that any should perish.

If you are a partner with *Keith Butler Ministries*, we sincerely thank you for your continued prayers and financial support. If you are not a partner with us, we invite you to join us. You are sowing into good ground! You will receive a monthly eNewsletter and discounts on our books and messages. You will also receive important updates from our ministry as they arise. Go to keithbutler.org/partner to sign up or just scan the QR Code below.

“Not because I desire a gift: but I desire fruit that may abound to your account.” Philippians 4:17
